> 77 11 431 008

EASY CARE TREATMENT

Treatment for fabric that offers good resistance to wrinkling. The shirt is then easy to iron. For optimum results: get the shirt out immediately after washing then put on a hanger.

MAINTENANCE TIPS FOR CLOTHES

WASHING

- 30° C maximum: cotton blend material or containing elastane, wool.
- Fleece fabric: wash inside out.

DRYING

- After washing: without leaving the laundry ball.
- Put a dish cloth for mesh.

IRONING

- Humidify lightly.
- On the reverse: all printed clothes.

LEATHER CLOTHES

We take great care on the very high quality of our leather and the finishes of our clothes; Irregularities of leathers are not manufacturing defects but charm of "homemade". If despite our care, an article reveals a defect, we will replace or repair it upon request.

Maintenance tips: In order to have greater longevity for your new leather clothes, we recommend to waterproof it, with adapted spray (scotchgard) sold in shoemaking. You can do this operation twice a year.

WATCHES

Case: includes one glass, one middle and one back, this part contains and protects the clockwork.

Many different qualities: pplastic, alloy, brass, aluminum, steel, titanium.

Watch crown: knob located on the watch case that allows to settle the watch.

Screw-down crown: seals the watch; necessary to unscrew the crown before pulling. Badly screwed, the watch is not waterproof anymore.

Clockwork: mechanical quartz or automatic, with different functions: date, chrono, alarm...

PRECAUTION AND USER TIPS

- Avoid saunas or any other very hot or very cold temperatures (-10° ; +60°).
- Do not tighten the strap to much so that your skin can breathe and the strap is not discolored by sweating.
- Never use solvent for strap cleaning.
- Rinse with fresh water after swimming in the sea.
- Respect seal indications:
 - 3 ATM or 30m water resistant (rain).
 - 5 ATM or 50m water resistant (shower, swimming pool).
 - 10 ATM or 100m water resistant (diving, water sports).
- Some surface cases quality or treatment can cause allergic skin reactions.
- Replace the battery every 18 months.
- Avoid all violent sports with your watch.
